

# SUPPORT MCAGCC ♻️ DO YOUR PART

## What Can Be Recycled At MCAGCC

### Preparation

Please do not bag your recyclables. Put the below items straight into your designated recycling bin for curbside pickup.

### No. 1 Plastics

PREP: quick rinse • no lids  
CRV Plastic (soda/water bottles)

### No. 2 Plastics

PREP: quick rinse • no lids  
milk/water jugs, juice bottles

### Aluminum & Steel Cans

PREP: empty and rinse out food and beverage residue

### Paper & Cardboard Products

Copy paper, white ledger paper, shredded paper, newspaper, magazines, telephone books and all types of cardboard

### Glass (Clear/Brown/Green)

PREP: empty and rinse out food and beverage residue

## Recycling Facts

### PLASTIC

Americans throw away 2.5 million plastic bottles every hour.

### STEEL

Recycling a pound of steel saves enough energy to light a 60-watt light bulb for 26 hours.

### CARDBOARD

Recycling 1 ton of cardboard saves 46 gallons of oil.

### PAPER

Recycling a stack of newspaper just 3 feet high saves one tree.

### GLASS

Glass takes 1,000,000 years to fully degrade in a landfill.

### ALUMINUM CANS

About 120,000 aluminum cans are recycled every minute nationwide.

## Bid Sale & Reutilization Program

### BID SALE PROGRAM

The Qualified Recycling Program (QRP) bid sales are typically conducted once a quarter and are open to EVERYONE! Individuals can view the bid sale inventory by visiting the Residential Commercial Recycling Section (RCRS) at Bldg. 2085 T1 on Rifle Range Rd. or by visiting [www.green29.org](http://www.green29.org). If you wish to sign up for the upcoming bid sale, please visit RCRS.

#### Bid sale items may consist of:

- Scrap metal (ferrous and non-ferrous)
- Scrap wood, including unusable/unserviceable pallets and crates
- Scrap plastics
- Appliances (unusable/unserviceable)
- Used furniture (non-repairable, unusable/unserviceable)

The proceeds generated from the QRP bid sales can help fund the following efforts aboard Marine Corps Air Ground Combat Center (MCAGCC).

- Recycling initiatives
- Energy conservation projects
- Pollution abatement
- Occupational safety and health activities
- **Moral, welfare, and recreational projects**

### Reutilization program

The QRP enables MCAGCC units (ONLY) to reutilize items or materials at no cost to the command. Typical reutilization items may consist of:

- Desks
- Chairs
- Pallets
- Tables
- File cabinets
- Ammo cans

The QRP bid sale and reutilization program directly supports the installation's goal to meet executive order recycling mandates. QRP operations are conducted in accordance with local & federal laws, regulations and Department of Defense policies and instructions.

For more information, contact Base Recycling at 760.830.5666 or visit [www.green29.org](http://www.green29.org)

## Good To KNOW

### MEDICAL/BIO-WASTE

Regulated Medical Waste (RMW) is managed in accordance with federal, state and local laws to protect human health and exposures to blood-borne pathogens (BBPs). The primary concern in medical waste management is the reduction of exposure to BBPs, tracking of waste materials, and training of personnel in order to minimize impact to human health and the environment. So please **Do Your Part**: separate your RMW from other non-hazardous waste and place it in the appropriate container (i.e., labeled containers), bags and or sharps containers.

**NOTE: Ensure all sharps waste are placed in rigid, puncture resistant sharps containers and appropriately labeled for proper disposal.**

### DISPOSAL INFORMATION

Please turn-in sharps and RMW to MCAGCC's Naval Hospital (permitted storage facility) for proper disposal.

For more information, contact the Naval Hospital at 760.830.2752.

### HAZARDOUS WASTE

Lead acid batteries, used motor oil, light bulbs, paint, aerosol cans, and used antifreeze can all be recycled and should be disposed at Hazardous Waste Management Branch (HWMB).

### E-WASTE RECYCLING

Old, obsolete and non-functioning TVs, computers, monitors, printers, toner cartridges and other miscellaneous small electronic equipment can be turned in to the HWMB for proper recycling.

### NON-RECYCLABLE ITEMS

Aluminum foil, pie pans, compact discs, wax paper (milk boxes, frozen food cartons), plastic no. 3, ceramic glass (plates, bowls, cups), styrofoam and rubber products (latex gloves) cannot be recycled aboard MCAGCC.
